Alberta politicians invite climate activist Greta Thunberg to visit - but provincial government has no plans to do so, Online, Oct. 15

Greta Thunberg won't get an audience from anyone from the ruling party in Alberta now that she is arrived in Wild Rose Country.

Yes, Rachel Notley is correct, Jason Kenney and is ilk are cowards. What an opportunity! Put the young lass and all them tree huggers in their place once and for all! Nope. Just try to dismiss her as a flake because riling up the base is best the way to get Andrew Scheer elected as prime minister.

Good luck with that.
